Marion County and Citrus County Florida are quickly being discovered as a great place to live, work or retire. Cities like Ocala and the Crystal River area are growing rapidly. The word is out about the small town feel with metropolitan necessities. This area of West Central Florida close to the Gulf of Mexico allows for an active Florida lifestyle with plenty of outdoor entertainment. The area is dotted with natural wetlands, bird sanctuaries, wildlife refuges, parks and preserves as well as dozens of fine golf courses and don't forget some of the best fresh water and salt water fishing in the world.

Our goal at Reed Homes is to help you enjoy this lifestyle on the budget that is right for you. Building a new Florida home has never been easier or more affordable that with Reed Homes.

Reed Homes offers an exceptional collection of over a dozen single-family homes that are very affordable and one is sure to fit your budget. With Reed Homes' years of professional home building experience, and homes built in Marion and surrounding counties; Reed Homes will provide the best possible quality and service for your new home. When you build with Reed Homes, you will have the peace of mind that every detail will have our personal attention. We invite you to come by our Marion County Model Center in St. James Park or our Citrus County Model Center in Crystal Glen.
